Schurr Automations CONVERSATION RECORD / INTERNAL

Leave with one clear next step.

Record what they said. Separate facts from ideas. Keep sensitive customer records out.

Business / location

Date / route / stop

Person / role / decision authority

Preferred contact / address or number

1. What they described

Recurring problem, in their own words

Current tools / phone routing / website

Who owns follow-up today?

One example / baseline (source + period; unknown is fine)

2. What we showed and discussed

Example + version/link + labelled mode (simulated or verified test)

Useful first direction

☐ Receptionist ☐ Website/search ☐ Combined ☐ Not a fit

Questions / objections / connections to verify

3. The agreed next action

Action + responsible person

Due date / time / timezone

Follow-up channel / agreed content

Definition of done / outcome

Meeting state

☐ None ☐ Requested ☐ Separately confirmed

CRM record / owner / next review date

Personalize follow-up from this record. A request is not a confirmed meeting.
